English Public Law - Google Books

Public law definition: a law that applies to the public of a state or nation | Meaning, pronunciation, translations and examples

Public law definition and meaning | Collins English Dictionary

Public law is important because of the unequal relationship between the government and the public. The government is the only body that can make decisions on the rights of individuals and they must act within the law. A citizen can ask for judicial review if they are unhappy with a decision of an authoritative body. Lawyers who are concerned with public law can specialise in various areas of ...

Public Law | AllAboutLaw

Public law, in the sense first defined by the Romans, is the law of res publica, literally the public thing, that is, the public interest or common good, predicated on the differentiation between the State and the government.
