When students have been identified as gifted and talented, the school needs to ensure the progress of each individual is tracked and monitored, and that there is an appropriate teaching and learning programme in place.

Teacher Tools - Monitoring gifted and talented provision

Provision, Enrichment and Extension . Provision for Granton's gifted and talented pupils takes place first and foremost within the framework of the National Curriculum through strategic and skilful planning, but also provides opportunities for enrichment through breadth and depth of study, beyond the National Curriculum frameworks. It is this combination of provision through differentiation, enrichment and extension, that occurs both in class as well as out of class, that ensure that Granton ...
